Sub: CHANGE IN THE SCHOOL TIMINGS FOR AFTERNOON SHIFT A/Y: 2022-23

Dear Parents,

Greetings from Indira National School !

Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars, to change the world."
— Harriet Tubman

It's a great pleasure to announce that the Management has decided to change the school timings for the Afternoon shift w.e.f. 4th October, 2022. The revised timings for the afternoon shift would be from **11.10 a.m. to 4.30 p.m.** taking into consideration the traffic congestion and the children reaching home late in the evening with no time left for study & play. The timings for afternoon shift are changed keeping the convenience of students in mind.

The management has taken into consideration the feedback received from parents of afternoon shift, the present scenario of traffic congestion and the intended travel time of the students. The school has worked on the revised timings for afternoon shift without affecting the number of working hours. The revised timings will help the students to reach home early.

The decision taken by the management regarding change in timings for afternoon shift is sent in advance so as to make the necessary arrangements for their ward.

There will be an online Orientation on 19th & 20th September, 2022 for the parents regarding the same. Kindly note that the details regarding link and timings for the online orientation will be shared through mail.

Note: -

- **Prasana/ Trimurti** transport services will be available as per the revised timings.
- Private pick up and drop parents are requested to make their own arrangements as per the new timings.

Hoping whole hearted co-operation from your end.

Warm Regards,

Vijaya Joshi
