**Subject : CHANGE IN THE SCHOOL TIMINGS w.e.f A/Y: 2023-24**

Dear Parents,

Greetings from Indira National School !

**Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars, to change the world."**  
— Harriet Tubman

As you are aware that the Ministry of Education has released the New Education Policy 2020. Taking into consideration the implementation of National Education Policy in school, the Middle school & High School now have skill subjects in addition to their main core subjects. With this the students need to get more time for academics and the related activities with these subjects.

Hence, the Management has decided to extend the school hours for Class VI to XII to 6 hours 20 minutes. So the classes VI to XII will now run in the morning shift from **7.20 a.m. to 1.40 p.m.** w.e.f A/Y: 2023-24.

Classes I to V will continue to run in two shifts.

**Morning Shift:** ( Grade 1 to 5 ) - 7.20 a.m. to 12.40 p.m.

**Afternoon Shift** : (Grade 1 to 5) - 11.20 a.m. to 4.40 p.m.

This will be effective from 3<sup>rd</sup> April, 2023. This notice is being sent in advance in order to facilitate parents to make necessary arrangements.

Due to this change in timing of Middle school, those parents who want both their kids in the same shift, please send your applications through the below google link by 3<sup>rd</sup> January, 2023 in order that we make the required administrative changes as per the availability of seats. **The link provided for the change of shift is only for sibling cases.**
