INSTRUCTIONS FOR THE PARENTS

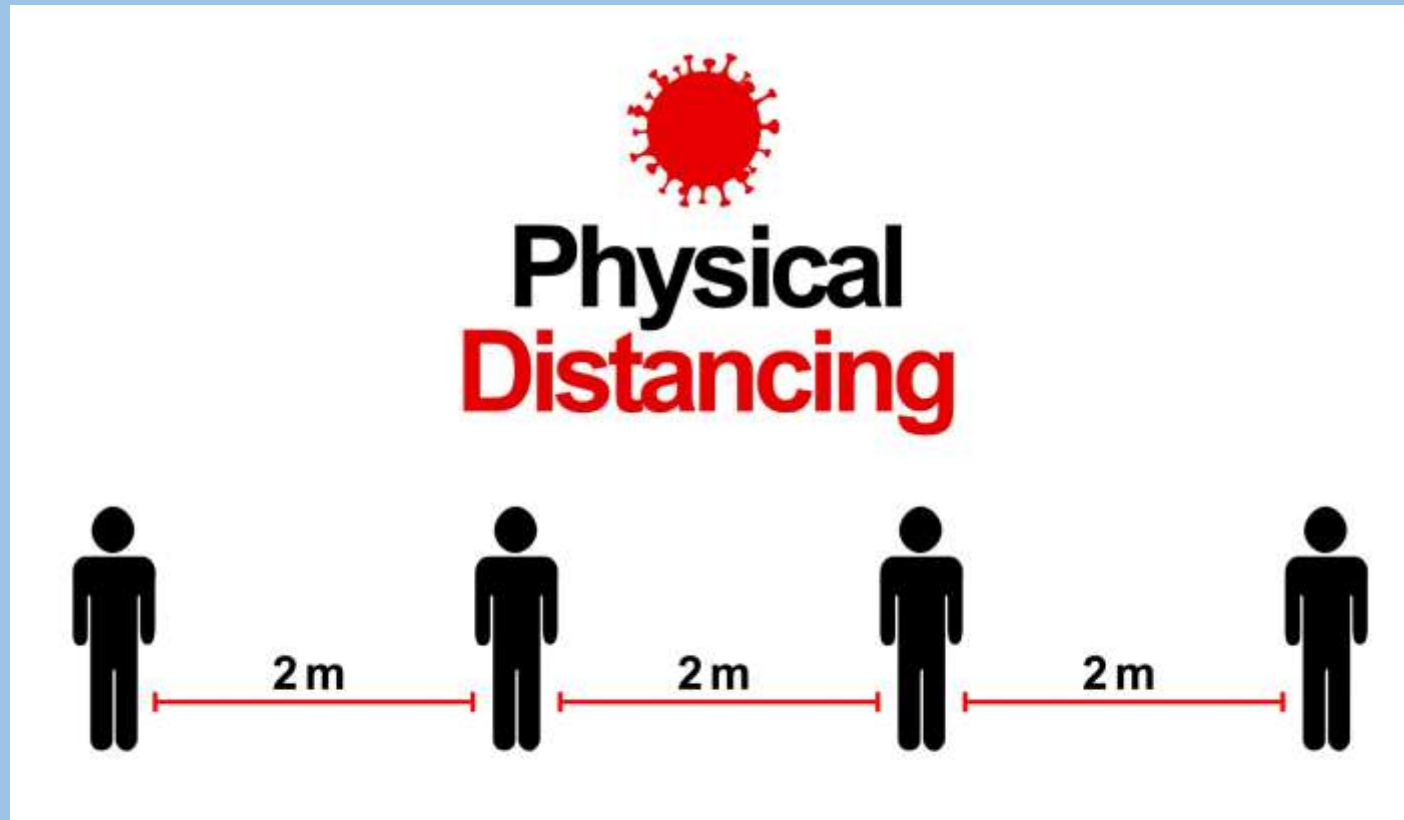

- Medical self declaration form will be shared with the parents to fill & submit it to the school. This will enable the school to understand the medical history of the child for last two months of having any cold/cough/fever. This will help the school to ensure that before the joining the school, the child had no symptoms of COVID-19.
- Every student will have to wear the mask and face shield mandatorily.
- It is the responsibility of the parent if the child is unwell, avoid sending the child to the school.
- Entry student should be carrying a sanitizer bottle.

INSTRUCTIONS FOR THE PARENTS

contd....pg2

- Parents should train the child to maintain social distancing.

INSTRUCTIONS TO THE TEACHERS

- The teachers to monitor and maintain social distancing in the class.
- All the classes will have different time slots for the students to use the restrooms rather than following common break/recess timings.
- At any point during the school hours, if a teacher notices that a student is unwell, the parents will be informed immediately. The parents need to co-operate with the school & pick up the child at the earliest.

INFIRMARY

- The school has a well equipped infirmary with 2 full time nurses available in the school at all times.
