SECONDARY CURRICULUM

SECONDARY CURRICULUM

➢ **<u>Main subjects :</u>**

- ✓ English

- ✓ II Language

- ✓ Science

- ✓ Social science

- ✓ Math

- ✓ Skill subject

SECONDARY CURRICULUM (cntd.)

INTERNAL GRADE SUBJECTS :

➢ Arts & Work Experience (WE)

➢ HPE + SEWA

SEWA activities have been designed to integrate social awareness into regular curriculum of the students for classes IX to XII.

➢ Discipline

2nd Language

We at Indira National school offer 4 subjects out of which the student can select any one

<mark>Very Important</mark>

The students can select only that subject as the 2nd language in class 9 if he /she has studied that language and has passed class 8th in that language

For eg

Any student can select Hindi as a second language in class 9 as Hindi is compulsory subject till class 8

A student can select French as a second language only if he/she has studied French till class 8

2nd Language Contd.

Please note

Once you have selected the second language please note you cannot change it as students are registered with CBSE in class 9

So think judiciously before selecting the subject.

Once selected the 2nd language the child has to study the same subject till class 10.

SECONDARY CURRICULUM (Skill Subject)

***About the Skill Based subject* –**

➢ **<u>Objective</u>** – To make the new generation more creative, innovative and to keep pace with the global developments and requirements at workplace.

➢ The Skill subject will be offered as an additional sixth subject along with the existing five compulsory subjects.

➢ Skill subject offered by the school is AI,IT and PAT

Importance of IT: -

Information technology (IT) is the use of any computers, storage, networking and other physical devices, infrastructure and processes to create, process, store, secure and exchange all forms of electronic data.

The following are the main objectives of this course:
- To familiarize the students with the world of IT and IT enabled services.
- To provide an in-depth training in use of data entry, internet and internet tools.
- To develop practical knowledge of digital documentation, spreadsheets and presentation

Career Scope of IT:

Computer Programmer.

Web developer.

Software Analyst.

Software engineer.

Information security analyst.

Skill Subject: Artificial Intelligence (AI)

Importance of AI:

Artificial intelligence is gaining the spotlight across applications in our personal and professional lives.

We need to take charge of preparing ourselves and our students for the future.

Top 4 Uses of Artificial Intelligence
- In the field of Medical Sciences
- **In the Field of Air Transport**
- **In the field of Banking and Financial Institutions**
- **In the Field of Gaming and Entertainment**

Career Scope of AI: –

There is a scope in developing the machines games, speech recognition machine, language detection, computer vision, expert systems, robotics etc.

Machine Learning Researchers.

AI Engineer.

Data Mining and Analysis.

Machine Learning Engineer.

Data Scientist.

Business Intelligence (BI) Developer.

Weightage Distribution

SR No	Subject Name	Theory	Practical
1	AI	50	50
2	IT	50	50
3	PAT	50	50

Career Opportunities in Physical Education and Sports

Choice of skill subject

You need to choose skill subject only once. Once selected the student need to take the same subject in class 10 as well

Please note- Skill subject cannot be changed once selected

So choose it keeping the interest of your child in mind.

EXAM RELATED

EXAMINATION

Following Exams will be conducted in this academic year

➢ Three Periodic Tests

➢ Portfolio / Multiple assessments [MA1, MA2, MA3] / Subject Enrichment Activities [SEA] / Art Integrated Learning [AIL]

➢ Annual exam

ASSESSMENT CRITERIA

Periodic Test -1	Periodic Test- 2	Periodic Test- 3	Year End Assessment
40 Marks	80 Marks	40 Marks	80 Marks

INTERNAL ASSESSMENT

80 Marks from the Year End Assessment

5 M from Periodic Test irrespective of the total marks ie 5marks out of 40/80

5 M from Multiple Assessment Test

5 M for Portfolio

5 M for Subject Enrichment Activity [SEA] / Art Integrated Learning [AIL]

Final 100% score will include 80 + 20

ASSESSMENT CRITERIA (cntd.)

Periodic Tests **(PTs)** - Pen and Paper Tests	PT-1 (40 M) PT-2 (80 M) PT-3 (40 M) ▪ Best two - Total reduced to 5 M
Multiple Assessments **(MAs)** –	MA-1 (5 M) MA-2 (5 M) MA-3 (5 M) ▪ Total and averaged out to 5 M
Portfolio	▪ Portfolio (5 M)
Subject Enrichment Activities (SEA) / Art Integrated Learning (AIL)	▪ SEA / AIL (5 M)

ASSESSMENT CRITERIA (cntd.)

Internal Assessment	Total Marks
• 5 Marks from Pen Paper Test (PT-1, PT-2, PT-3) *Average of the best two scores • 5 Marks from Multiple Assessment Test • 5 Marks from SEA / AIL • 5 Marks from Portfolio	20 Marks

+

Year End Assessment
80 Marks (Annual exam)

→

Final 100%
Score will include 20 + 80

PROMOTION POLICY

Please note

1. Students will be promoted to the next class only if he /she clears class 9 annual exam with atleast 40%

2. Internal assessment with atleast 40%

3. Attendance is 75%

Students with Special Needs

There is a special provision given for the students with special needs.

Eg :Students suffering from Dyslexic, disgraphia, dyscalculia etc

In such cases students are provided extra time , scribe as well in the final board examination.

Such students can drop any of the major subject like science or mathematics and opt for music or home science.

Students with Special Needs Contd.

Documents requirement for the same is

1. Certificate from the Government hospital stating the nature of the disease, percentage of the disability with seal of the medical officer

2. Letter from the principal and the class teacher authenticating the students inability to read /write properly in that particular subject

The procedure requires nearly 3-4 months and the documents needs to be submitted during Registration.

Once documents submitted it is sent to the CBSE office. Final decision will be taken by CBSE regarding the extra time or scribe or both

Caste Certificate

During the CBSE registration if the student belongs to OBC,SC,ST he/she needs to upload the caste certificate.

Please ensure that the student has the caste certificate before registration

Parents and teachers to work together for a common goal of *betterment of the children*.
